

American Family Fitness Day Care Rules

1. All parents must remain in the club while their child is being cared for.
2. Absolutely no sick children will be accepted in the daycare. We strive to keep a healthy and happy place. Please respect other children who are healthy by keeping your sick child at home.
3. All parents are required to sign their children in and out on the daycare sheet. Please provide your full name in the event it is necessary to reach you.
4. Please make sure your children are fed before daycare. There is NO food allowed in the daycare. Food causes a big mess in the daycare along with children not wanting to share and causing fights among the children. Some children have food allergies and allowing food in the daycare poses a health problem.
5. Please make sure your child is changed before checking them in to daycare. Children MUST be fully clothed at all times. If a child needs a diaper change or needs assistance with going to the bathroom, the parent will be called.
6. When there are 4 or more children in the daycare we have a 1 ½ hour time limit. This allows all members to take advantage of the daycare.
7. We DO NOT discipline children for any reason. If your child is posing a problem for the daycare staff you will be called immediately. This includes hitting, biting, foul mouth. If your child is asked to stop doing something and continues you will be called and your child will be asked to leave for the day. If your child bites another child he or she will be asked to leave the daycare immediately, if for any reason your child bites another child more than 1 time he or she may not be admitted back in our daycare.

These rules are enforced for the safety of your child and all others at American Family Fitness. We strive for safe and happy environment for our day care. With your cooperation we can do so.

Thank You
